

Johnson, Vt.  
June 22<sup>nd</sup> 1887.

Mr. Fletcher:-

Dear Sir:-

I have not been gaining in strength for past few days and this morning the doctor called, he said it would be impossible for me to go into school again before September; but with a long summer's rest, if I were careful, I might be able to work hard this fall and winter.

I thought you ought to know as soon as possible just how the matter stands, as soon as I am strong enough I shall
