

get one.

I dont know  
but I shall  
have to get some  
papers.

I had quite  
a time over a  
photograph the  
other night.  
I will tell you  
about it later.

How do you  
this soon if  
you love me

Your true  
lover.

My dear Katie:-

I rec'd  
your very welcome letter a  
few days ago and will  
try and ans. it now if you  
will excuse me for writing  
with a pencil.

I was ashamed of myself  
when I got your letter, you  
are so much better than I.

The girls were having a  
high time and I was afraid  
we were just a little wicked  
but you know I always  
was & I dont think I can  
ever be so good as you
