

Whett has learned to
read nicely this term,
he has done better than
ever before, but some
find fault with his
carr of, but she will
have the little ones next
term. I think today
feels badly to think
she can't come back
but such a noisy
school never would
know
I guess you will
think this is a
letter and a $\frac{1}{2}$
with much love
and many kisses
from Katie from Nona

My dear Katie,

I intended to have
written you Sat, but shall have
to apologize for forgetting the day
of the week; there being no school
on Thursday and keeping Sat - I lost
the day of the week until too
late to write. School closed very
quietly, no recitations or any-
thing! only in the evening the
schollars went to the school
house and played until 9 o'clock
Miss Barton is staying over the
