

Country, Vt.
Feb 26-88.

Dear friend Kate, -
I have
been awful busy for the
past two weeks and
really haven't had time to
write to but just one
person, and only once to
her, just think Kate only
once to Bess in two weeks.

O dear! I'd give my old
boots to see you to-night
Kate and have one of
our chats that we used
to have last term.
