Dear Katie

Papa and Rohett arrived home last Wednesday night; he had no luck in selling the hay, could not get offered over \$7 per ton; so he left it for George to peddle out. Bert is in California writes to Lucy to sell or rent the farm as he never shall come back. Carrie and Rohett stayed with Bessie last night and papa and I went down to the Boro after your dress; it is very handsome and papa will bring it up to you before
