Miss Fletcher

I thought I would  
fulfill my promise to  
you by writing as I prom-  
ised you I should I have  
been so busy I have  
not had a chance  
before how did you get  
home from the Lodge  
I suppose I had mes down  
to see you the boys told  
him how we acted in  
the lodge he said that  
was all right it was  
all in the family.  
The girls are all well  
and suppose the Deacon  
& his wife will be home
