BRUNSWICK

Wednesday night

Dear Katie,

Yours is just-
received and I can't just-
answer you for papa will
not be home to night. he
and Mr Kissley are on the
road machine, to work
some-where near the Man-
chesters on the road leading
from Johnsons to Waterville
but being in Cambridge —
when he went away this morn
he expected Mr Chase would
come after the black hog as
he had partly bought him
