

Viola Allen

Craftsbury, Vt. May 26, 88.

Dear Kate;

You do not know how glad I was to hear from you. I had thought of you many times and thought that I would write but I have had no time to write letters.

My father has been very sick with the Pneumonia for seven weeks. He is beginning to gain a little though it is very slowly.

There was a while the Dr. thought he could not get well, but we are in hopes if he does not take cold that he may
