

Perseport Janry 20th. 1850

Dear Brothers and Sisters i now take
pen in hand to write a few lines to let
you know that we are all well at present
but Luster has been sick ever since
last winter but i think he is on the
gain you wrote that you wanted i should
send you the old family record but i
never had it i think that it was left
with Samuels things to sharon but i dont
know my circumstances are such that i
dont think that i shall be able to come
to visit you this winter but should be glad
if i could you must come and see me
as soon as you can if you want you
should come ^{and} buy my farm for me
it stands about ten dollars per acre
to the land office and the land agent
says that he wont let me have it one cent
less than what it stands at to the
office but if you will come and buy
it for me you can get it for five or six
dollars per acre and if you could come
and buy it for me i should be glad
if you will it will save paying out
considerable money i want that you should
come between this and march if not i want
you to write to me as soon as you get this
letter i have no news to write so i
must draw to a close by sealing ourselves
your affectionate Brother & Sister
