Mr & Mrs "Stitcher"

Dear friends

I take the opportunity of
writing a few lines to assure
you that I have not forgotten
you & your family your precepts
& good examples in regard to
my health I will first remark
that it is excellent for you
considering the sickness I have
undergone for the past two years
undoubtedly you recollect of hearing
the "Rev" Amos Williams relate
to you the resolutions I formed
& the promises I made in
Marrisville now perhaps the
question may arise in your
minds have you lived up with them
