embrace the opportunity of writing
a few lines to you to inform you
that our health is as good as
usual and hope this will find you
enjoying the same blessing we have
a very good summer and early frost
the corn crop is the poorest that I
have ever known it since I came
west there is not half of an ordinary
crop the wheat crop was fair crop
oats and hay was a large crop potatoes
and fruit of all kinds a light crop
I rented my place and home since
the death of my wife have lived with
Beth - you know the man who married
Berony Samuel was here last summer
his health was as good as usual he sent
his love to you and your family give
my love to Corry and his family and
Ethel and Della and their families and
to Corrie and Lydia and all enquiring
friends tell Mary her love and was
glad to hear that she got through
safe and was enjoying her visit tell
her that if nothing happens more
than we know of now that Lemuel
