Dear Father & Mother

I suppose you have had a letter from Mr Culver ere this I am so nearly used up I can hardly write. At last Mr Culver has succeeded in settling and has gone. I expect to start to morrow morning I had my journey I would like to see you before I go but it is impossible It is too bad to be kept here so long on expense I hope you better since we come away & not have so many to trouble you I will be very glad to get a home somewhere very soon I ought to have gone a long time
