

Pleasant Lake Ind

Dec. 25, 1889.

Dear Father & Mother.

I want to tell you what delightful weather we are having Cousin said the frogs were singing last night. It is so nice a day today as you ever saw in May. It looks here very much as it does in Franklin Co on the borders of Canada. There is more forest here than I expected to see. It is very pleasant here. I like the climate very much so far. I am butchering this week. I want to wish you a Merry Christmas & Happy New Year. The children are out doors to
