not be so hard as you

Dear Precious, Uncle and
Aunt. I wrote a long letter
since I have written you, but
you are always in my thoughts
How I wish I could be with you
a few days. I believe I want
to see you more than when
I started to see you three years
ago last Sept I am glad every
day that I did see you and
hope you will feel able to
come and make me a long
visit. cannot you start this
Spring? with through tickets &
cheques, it is not very much
trouble and you know Luke

My

do not forget to say to my
