

Johanson Feb 5th 1889

Dear Mother

How are
you & Father now I thought
when W & Aunt ~~was~~ came
back that I should have
been down there before
now but - haven't - been
out - doors since Feb &
I had the Sea grippe since
and the Dr wanted me to
be very careful am better
now will get - these things
the first - day that it is
best - for me to go out
