Hon Geo. F. Wash

22 University Place, New York.

Dear Sir, Yours of 8th inst was duly received with proofs of Burlington, for which you have my thanks. I send as you request proofs of Montpelier and Woodstock. In reference to the former, all I have said about the State House is to give its form and size, without a word upon the unpleasant controversy which has caused a good deal of warm feeling. Mr Richards, the architect, whose office is but a stone's throw from mine, and who is also a neighbor, furnished me the dimensions. Dr Powers also I consulted. —

In reference to Woodstock, I sent the article to Hon Norman Williams, and had a good deal of correspondence with him, and trust the facts are correct. He also furnished me a beautiful ambrotype of the Park, and photo. of the Powers house, both of which have been very faithfully engraved, and present a striking likeness to the original. The Powers house was taken last Autumn, & the Park, last Spring. And now I have a word of inquiry to make respecting another matter.

I am about to publish in an appendix to my work, some tables giving the Presidential and Govern-
