

Montpe. Apr. 13. 1858

Hon. G. P. Marsh

Dear Sir

When at yr. house you will recollect you thought you would call the Comms. together this week at Montpe.

The object of this is to say, that I saw (this morning) Dr. Powers take the Cars for Boston, I ask'd him how long he was to be gone, He said till Saturday, I tho't it possible you would defer your meeting till next week,

The Dr. had no suspicion of any reason why I ask'd him, I did think you would want him here, when the Comms. met

Very Respectfully Yrs. &c  
G. W. Colman
