

Woodstock Sept. 25. 1857

Dear Sir,

I send, with this, a letter received yesterday from Mr. Sil-
loway and have written him as follows:
"The number of copies of the pro-
"spectus which we thought best to have
"printed, when we were last together,
"was 400. Should more be wanted,
"they can be ordered hereafter. I will
"write to Mr. Marsh, who is now in
"Burlington, and request him to commu-
"nicate with you, when he shall re-
"ceive a copy of the lithographs; and
"with regard to the order for the pay-
"ment of Mr. Buffum, it is proper,
"I think, that it should come from
"the Auditor and had better be de-
"ferred until the meeting of the le-
"gisature."
