

Woodstock April 28. 1858.

Dear Sir,

I received your message yesterday notifying me of the postponement of the Commissioners' meeting, and after the receipt of the dispatch I saw Judge Porter and find that he, as well as myself, is engaged for every day next week. I do not now think of any engagements of my own, after next will, till the ~~17~~ "day of May."

Yours respectfully
Norman Williams.

Hon. George P. Marsh
