Rutland & Burlington Rail Road office
Rutland October 7th 1858.

Dear Sir

I herewith transmit to you the report of the Trustees & managers of the Rutland & Burlington Rail Road, and full answers to the questions you propounded, which I trust will be satisfactory. The reason they have not been made and forwarded before is, that the Trustees have been unable to procure the accounts of other Roads with which the Rutland & Burlington Road has a joint freight and Passenger business.

I enclose a statement of them that you may be able to see their extent.

I much regret the delay, but under the circumstances it was unavoidable.

Very Respectfully I
remain your Obedt. Servt.

Thomas Parker

Hon^{ble}. George I. Marsh
S. R. Commissioner.
