Dear Mr Marsh

Thanks for the stamps &
yours of the 15th just received. They
serve me an excellent purpose in
many ways. Keep sending any
that come to hand except the com-
mon Italian. French we get here
unless it be of unusually large de-
nominations.

All well here today &
this the "glorious fourth". It seems
more like Sunday however as
fire cracking etc. are forbidden.
and the law is enforced since
Portland was burnt. crackers
have been at a discount

with much love to Mrs
me we all are your ever
