Dear Mr. Ward

My dear Mr. Ward

We were delighted to get your letter, and to see that you had received sufficient to use the pen. even if a rather shabby one.

I have only time to write a line on the point of leaving for the Sunn. A day that our regular agent - Milan - the R. Istituto Lombardo di Scienze e Lettere.

When please apph

we go to East Hat, Maine to "fish". To stay till October. The pamphlet sent by you is not yet here but will be welcomed on account with much love for all, believe

me affectionally yrs
