Smithsonian Institution,  
Washington, D. C.

November 9. 1874.

My dear Mr Marsh.

I am happy to say that I have secured a copy of the Report on Forests; two of them, indeed; one sent by Mr Edmunds & one by Dr Hough, the author. I will send you the duplicate if you wish it.

I wrote you a week or two ago on this subject, thanking you for your attention in sending Lucy the Archaeological Bulletin.

Very truly yours,

Spencer F. Baird

Hon. Geo. P. Marsh.

U. S. Minister,

Rome,

Italy.
