BOARD ON BEHALF OF U. S. EXECUTIVE DEPARTMENTS

National Museum: Smithsonian Institution,

Washington, Dec. 6, 1875.

Dear Mr Marsh. I write you from our new residence, 1445, Map. Avenue. We have been in it only a few days & are just beginning to be settled. The great inducement in coming to this neighborhood was its proximity to the Edmunds. We are in the same square, about a hundred yards distant. The house is very comfortable & convenient, & we hope to have a very good time in it. We begin rather unfortunately, as Mary is quite sick in bed, the result of the excitement of moving, combined with a very severe cold.

Thanks for sending the Archaeological Bulletin. Lucy will be very glad to have it. If you will send the Mineralogical work to which you refer I will see that it is properly noticed. In sending please renew the same volume to that effect. With much love to the

Marsh from all of us, believe me,
 Hon. George O. Marsh.
 U.S. Minister,
 Rome Italy.

Sincerely Yours,
 S. F. Baird
