Dear Mr Marsh.

Yours of February 26, is to hand.

I will do what I can to secure a satisfactory notice of the Professor's works on Mineralogy.

The pamphlet-mentioned in your letter has also been received & turned over to Lucy as an exercise in Italian. She has been studying that language quite diligently for a year or two past.

I send you a series of the Circulars relating to the Smithsonian display at the Centennial.

Sincerely yours,  
J. P. Beard

Hon. George P. Marsh.
