

Boston April 3.. 1858
Mr. Marsh,

I wrote to you
yesterday in regard to the Montpelier
work. Since mailing the letter I
have decided to go to M. to-day.
I will try and get this letter to you
with the one named.

Please answer it if you can do so,
immediately and send ~~it~~ to me
at Montpelier by the first mail of
Monday. Should you write to me I
shall not use the information as
coming from you officially, but as your
opinion, not naming (if you so direct)
my authority. It is quite possible that
I may be under the necessity of going
to see you at Burlington after I have
been to M.

I am yours truly
Thomas W. Silliman
