dear Maria

We arrived here  
at 4<sup>00</sup> yesterday P.M. after  
a very tiresome ride we marched  
up on to the Camp ground and  
got our tents and pitched them  
and all slept thru last night  
It rained all night but we  
did not get wet much as we  
have the best of tents. I feel  
tip top and all the men are  
in fine spirits, I told A.B. I want  
to have a bbl of flour sent up  
to the house as soon as he got  
home. I hope you will be  
in good spirits and get along well  
I have not time to write more  
now, Kiss the Children  
and tell them that I shall  
be home in about one week  
Yours Affly V. H. Berry
