

Camp Tyler Oct 5th 62

My dear Maria

I will again try and write you a few lines though I have heard nothing from you for some time but I am living in hopes of getting a letter from you soon and it seems as though as we are now situated, that we might get letters through pretty regular and as I now have but little to do I can write as often as I wish, To Day is Sunday and it has been very pleasant but pretty cold and the mud is drying up fast around our Gps. which makes it more pleasant for us and as I have been to day issuing clothing to the Men
