Dr Wife

We have just recd orders to be ready to leave here tomorrow morning and we have but a very short time to get ready in, two Co's A & F go tomorrow. I am not certain where but probably to guard a train of Rebel prisoners to City point abt 50 miles above Fort Monroe on the James river. Every thing is kept very still but from all I can learn this is our destination, two Co's will go each day. I have picked out some things and shall send them home when we get to Baltimore in my trunk & and buy me a small
