Dear Maria

You will see by the date of my letter that I am again with the Regiment. I came up yesterday and found every thing very pleasant too an about one mile from the battery (if it can be called one) and encamped on a very pleasant spot which is surrounded by woods. The mosquitoes are very thick and dont let a fellow sleep any too soundly. All the Officers seemed to be very much pleased to see me back, and seem to be glad of my promotion.
