~~Bridford~~ Oct 4th 62

Dear Sam:

I did not
hear directly from you
last night altho' several
people came down from
Bridford. Mr. Johnson
brought down the horse, but
I have not yet seen him.
He is said to be a very good
one -

We are to be mustered in
today. We have a Review
and inspection this morning
and mustering this afternoon.

When we shall go I do
not know. We shall probably
be paid Monday and then
we shall soon be ready to leave
