My Dear Wife:-

I have received two letters from you since writing. I have been so busy that I have had no time to write much.

Since we came here I have not been very well & have not felt very energetic. I have done only what I felt to be absolutely necessary - I have been bilious - took some of Ayer's pills & got well so day I am as well as ever & what is better I have got a boot on my lame foot - I have been with an old shoe until today -

Yesterday we had a review which I attended - My horse felt nicely - We went down to a meadow &
