Dear Susan -

Your letter containing the sad news of Cyrus' death was duly rec'd, but you know we thin that I had learned of it before receiving that letter - I shall write to Col. Webster to learn what further I can in regard to his death.

I have also rec'd your letter containing the note from Mrs. Johnson - Enclosed you will find an order which I wish you would hand to Judge Patchelder & tell him to hand you the money & you can give it to Mr Johnson. Tell him that it is the amt of the dividend upon the Bank Stock -

I wish you would ask Charlie Harding if there is any trouble or like to be any with the Bank - I have sent \$400. there & want to know about it - Ask him if he will not write at once -

I think you had better invite Auntie
