Dear Sister

As I was looking over
my letters that I received from
home I found in the envelop a
scrip of paper that I hadnt seen
before, as I read it I was sorry
to learn that you had met with
so unlucky an accident,
I dont se why I ~~xxx~~ didnt find
it before for I have read the
letters that I have had much
as three or four times, the most
I can do for you is to wish you
wel, I sent a letter to the Capt.
tent & when I read of your accident
I went to se if it had gon but
