Dear Brother.

I will write a few lines to let you know that I have arrived at camp I was until twenty minutes past seven when I got to Worcester corners. I stayed to D Massys over night & started before six the next morn: for Montpelier, I found plenty of snow over Eagle ledge & after I got through the woods I had snow & wind both. I found plenty of drifts before I got to M^r. I did not leave Montpelier until yesterday morning. I got here at half past
