Dear Sister.

I will buisy my self
a few minutes this morning in a
few lines to you. I am wel as com-
mon except a diarrhea that I have
had for a few days: but have been
on duty every day yet. I feel better
this marning and it is no more
than what the soldiers have when
they first come here, I should like
to look into Almores this morning to
see how you all do this Spring, and
how the things are going with you
at home. I have enjoyed my self
as wel as can be expected conside-
ring how far from home and every
body else but rebbels we are,
it would be more pleasant if we
