No. 2 Ft. Johnston, N.C. Oct 2nd
Fort Fisher

Dear Father

Your welcome letter by the hand of Mr. Hill I received this morning and have thoroughly digested its contents. Also received a letter from Mother by the same conveyance. Was very much pleased to hear from you. I presume you will not receive this letter before the 20th inst. as the mail facilities are very poor. I will write to Mother by the next mail. I will be glad to receive the 2.30 Dictionary you mentioned. Battery
