

Norwich Vt., May 1. '61.

Col. W. Phelps,

My dear Sir,

I have not, yet, procured, for you, a copy of "Leath's Tuckers"; but, Maj. Worthen will carry a copy with him. So, in case I fail, your command will possess a good supply of Books, in possession of Lt. Col. & Maj.

God Bless you &  
your command
