Dear Sister

I have been
neglectful in not writing
to you for so long but, have
been very busy as we are
all of the time now with our
duties one another. We
here had more than usual
to do lately. Last week we
had a Grand Review to
attend to, marching some two
miles to the place Phelps Cross
Roads. There were some 8,000
men to be reviewed by Gen-
McClellan and staff accompa-
nied by Mr. Lincoln, Sec. Seward
and Fremont. It was a
grand sight I can tell you
and one that has never been seen
