

Camp near Warrenton Va-
Nov. 14th 1862

Dear Parents -

I have a few moments to night which I will spend in writing to you. I received your letter concerning the Coxs wood dogs and shall get it soon. Through the gutter I think, tho. now we are some ways from Washington, and may be farther in a few days.

We are expecting to commence a campaign under another and untried leader in a day or two, perhaps we may start to morrow tho. we do not generally know anything of the move till a few hours before we are to march.

Gen. McClellan received our
