

Lewinsville Feb 6th 1863

Dear Mother I recd
your letter of Jan 25th in due
season saying you started the
box the 26th which I received las
t night I wrote you a letter I
think the 24th and wrote for some
things that I wanted you to send me
but you sent the box sooner than
I expected so of course you did not
get my letter soon enough to
send the things in the box
I wish I had wrote for two pair of
stockings. The rest of the things
that I wrote for last I can do
without. The ~~box~~ box has been
ten days coming all the things
look first rate ~~and~~ the weather has
been cold so that they have kept
good I ~~am~~ glad to get the box and
am perfectly satisfied with all
