My darling one

We are having a mail now
three times a week, and this week I am in
big luck for I am getting letters by every mail.
tonight I got one from John at "Cin.", one from
Aunt Laura about Frank, and your blessed
good long one with the "Photos." of Mother Bube
and sister Katie. They are both of them good
ones and you may believe I sat and looked at
them for a long time. I am very glad you
sent them. Tell Mother I thank her very much for
it. - but Oh! what "sad memories" do they bring up.
I can very well see what a sad fit you are
in to have both of the "little pets" come down
now with the "whooping cough," and I not by to
help you, it does seem to bad I declare, and
certainly God alone can assist you to bear
all your many troubles. I think you will be
more at your ease to stay at home and keep
house, but it will be awful lonesome for you I
know, as I said before. I think you better keep
some one with you that you can depend on.
