My Darling wife

Still I can
say we are all right -
Yesterday morning at day-
light we advanced our
line about one and a half
miles and occupied a
new position, and have built
a good "rifle pit" and
are quietly laying here
behind it waiting for
the "Johnnies" to attack us,
eat up their grub, or take
a new position, for we
are all the time working
in behind them, and
fortified as we go -
Our position now is almost
south of Spottsylvania, and
