

Head Quarters 10th Va Camp at
"Cedar Grove" Va. Nov 6th 64

My own Dear wife

I have just got in
with my big train of five hundred
waggons all right - have been complimented
by Genl. Wright for not losing a
man or wagon on the trip, and
am feeling very well over it -

The Mail is also in and I find
two good letters from you Oct 26th,
and 28th. It was strange you did
not get the news of Captain
Thompsons death sooner. I should
have telegraphed if I had been
where I could, but the nearest point
to a telegraph office is Martinsburg
36 Miles distance so you see it was
impossible, I expect in your next
to get an account of his body
having arrived home and about
his funeral. Moseby made a raid
to day on a forage train about
a half hour before I got along, in
the vicinity of Newtown and
shot a Colored Man dead, and took
to train masters and left before I
