My Dear wife

Yours of the
15th come yesterday - We
have been having a
Review of the 6th Corps
to day, it has rained
all day - I have just
got in wet and cold
and am so cross that
I am not going to try
to write you a letter,
but only say I am well,
there is no news - and
wait until next mail
to write a letter and
answer yours -

as ever

William
