

Head Quarters 10th H^{ts} "Camp Russell"
near Rematown Va Nov 30th 1864
My blessed darling wife

Yours of the
13th and 23rd came to day and is
the only mail we have had in
the last ten days, (or chance to
send one) First I must tell you
for I know you will be glad to
hear it "I have sent in my resignation
on Surgeons Certificate, and it has
passed Division Hdqrs. and now
only has to pass "Corps" Hdqrs. and
I am discharged - Then I have to
go to Washington and be "mustered
out" which will take until some
time in next week if my papers
are the usual time at Corps Hdqrs.
This morning I preferred charges against
Lt Col Chandler and probably the trial
will come on tomorrow or next day
and I think there is no doubt but
he will be dismissed the service -
so that will make that case all
right with the Regiment - The officers
refused to let me go until this was
done - Now about your meeting me
