

I had a letter from Aunt Eliza
the other day, she is at West Acton
a Doctoring she is not very well
now. I had a letter from Cousin
Frances a day or two ago her health
is not very good now the others
are all well & all the rest of our
relations this except Grand-
mother she is not very small
Frances says she has not heard
from Mr. Jos. sometime, I should
like to hear how that Town meet-
ing come off is particularly about
the bounty, so day I suppose
you ^(father) are attending Mrs. Heaton's
Auction, I think Capt's
wrote a good letter, I should
think Olive had better be careful
what kind of remarks she makes
next time, but some folks always
have so much bear skin they don't think
of their own faults, I should think
he could was getting pretty well broke
