

Letter No 27

Brandy Station Va April 6th 64

Dear Parents & Brothers; I recd
your letter dated March 27 on the
eve of the 4th. It had been near
2 weeks since I had heard from
you & as you said that you wrote
every Sunday I think I must have
lost a letter, I got the 10 postage
stamps in the last all safe.
I has been cold & chilly wet near
this lately, the worst time for
health I have seen since I
came to Va, I am not very well
just now, but nothing serious
only a return of the diarrhea. it has
been quite bad, but is not so bad
as it was, I have ^{had} it some over a week,
the Dr. has epurged me from on duty
the last 8 days, I shall get over
it soon I give,
