Sept. 23^(?) Monday morning

Dear Home,

After waiting with
the wounded at Burnettsville
till Saturday for the sur-
geon to send back a boy
with directions for finding
the regiment, I started
out, but not being
very successful in
learning where they were
going, I concluded
to stop over Sabbath here
in Pleasant Valley with
a good family. - I preached
for the United Brethren
yesterday and go back
to Burnettsville this
morning
