Dear father,

Check for four hundred dollars inclosed - May Hasey has just paid us for four months - Letter from John today dated 2^d inst. He and Sore well and happy. His P.O. box is 145. Fredwell, Md. We have orders to be ready to march at any minute after six tomorrow morning. If that means a battle, you will learn all about it - by the papers before this reaches you. I may not go with the rest, unless they move camp, - shall not expose myself unnecessarily at the crossing. Am quite well

Affectionately
Edward
